## Attendance and Class Policies

- Students must meet the requirements for each class. Class teachers will assess students at the start of the academic year; students will be moved to a different class level if they do not meet the requirements of their currently registered class. Teachers' assessment and relocation - if applicable - does not provide a valid excuse for program withdrawal.
- Registered students are expected to attend all sessions. Parents/students should inform the class teacher and Bayan Academy administration of any anticipated absences in advance. Non-anticipated absences (e.g. illness) should be also reported. Students should work with their teachers to catch up with any material they have missed.
- Students are expected to arrive early before class time.
- Parents of children under 12 are advised to stay at the center during class time.
- Students must be dropped off and picked up from the second floor of the building. They must be picked up promptly at the end of class time. No before or aftercare is provided. Students left in the center before or after class time are the sole responsibility of their parents.
- Students are requested to follow the following guidelines when they come to class:
  - Obey code of conduct and comply with Islamic guidelines.
  - Have Wudu and follow Islamic dress code to the best of their ability.
  - Bring their *Mus'haf*, a notebook and assigned book for *Qaedah Nooraneyah* (if applicable).
